

## Mother's Day

Andy Nguyen

Alternative photography process  
cyanotype, transparency, and  
watercolor paper  
8 x 12 in., 2020

Andy Nguyen was born in Vietnam and raised in San Jose. Nguyen received his BFA in Photography from San José State University. He creates images that reflect the landscapes and lifestyles of various ethnic populations in the Bay Area, throughout America, and around the world. His photographic process and work express the relationships that he has with local communities and their stories that inspire his work.
